I am Martha Chapman, wife of Joe Kluttz, former Trusted Choice agent in Albemarle, NC.

Joe has retired and we have recently moved to the Raleigh area. I am looking for employment in the insurance field.

I currently have my Life and Health License and will have my Property and Casualty license by the end of June.

My insurance experience is ten years as a captive agent, but I am a quick study and a hard worker and would appreciate the opportunity for full or part time work in an agency in this area. My location is within 20 minutes of downtown Raleigh and Durham and thirty minutes from downtown Chapel Hill.

Thank you for your consideration.
