

We are a large growing insurance agency that is looking for an account manager to join our team at our Fayetteville location. Account manager would be responsible for servicing existing clients, soliciting new business, asking for referrals and writing new business. Candidate must have the ability to problem solve, work well with many types of people and multi task. Must hold an active Property & Casualty insurance license. Benefits include paid time off, health insurance and ability to contribute to a Simple IRA. This position offers a salary with the potential to earn commission monthly.
