Brantley Saunders Named Director of Marketing for Jackson Sumner & Associates

Boone, NC - Jackson Sumner & Associates (JSA) announced the recent promotion of Brantley Saunders to the Director of Marketing for the company.

Saunders is a South Carolina native who studied Marketing and Theatre at College of Charleston and has 10+ years of experience in the insurance industry in various capacities, including E&S underwriting. She also has a background in creative and technology fields. She has served the past eight months as the JSA Marketing Representative for South Carolina.

“Brantley’s natural leadership style is undeniable, and she has proved how well she works with the rest of the Marketing Team at JSA,” stated JSA President and CEO, Danielle Wade. “This is a natural progression to solidifying a strong, cohesive Marketing vision that truly fulfills expectations for the insurance agencies we serve.”

Saunders will report directly to Wade. She will lead and assist the Marketing Reps with their duties, as well as collaborate with Content & Communications Coordinator and Agency Operations Coordinator in their day-to-day responsibilities.

Saunders is based out of Charleston, SC, where she lives with her husband, Joe, and together they await the arrival of their first child. In her *previous* free time, she enjoyed being on the water, hiking, and traveling to Broadway shows.
